

**THREE CORNERS

COMMUNITY INVESTMENT PROGRAM GUIDELINES

The Community Investment Program (CIP) was established at the Cherokee Strip Community Foundation by Grid United. CIP supports communities in Cimarron and Texas Counties, where Grid United's Three Corners Connector – a transmission line connecting U.S. eastern and western electric grids in Oklahoma and Colorado – will be located. Grid United is dedicated to partnering with these communities; as a result, CIP funds support innovative projects that enhance the quality of life while strengthening communities in this corner of Northwest Oklahoma.
