LETTER FROM THE EXECUTIVE DIRECTOR

Dear Friends,

2020 has been a year of great celebration! Since the Enid Community Foundation DBA the Cherokee Strip Community Foundation (CSCF) started in 2000, donors have been incredibly generous with their contributions that have built the endowments that support the charitable efforts throughout NW Oklahoma. We wanted to celebrate these gifts with the whole region and give back in a way that was meaningful, permanent and fun.

Early in 2020, the CSCF Marketing Committee lead by Mandy Mayberry invited nonprofits to the Cherokee Strip Community Foundation and asked how the Community Foundation could best help them. After a great discussion with the area nonprofits the Marketing Committee had heard their need for more Nonprofit training in Northwest Oklahoma and had decided to host CSCF's first Board Member Leadership Conference on March 10th. The highlights included Marnie Taylor presenting the Partnership

Training, during the morning of the Conference, and the many break-out sessions. We surveyed the attendees and received responses such as Awesome, Every-thing was great, Great Conference & networking, and Great info! Lots of takeaways! And after the full day of nonprofit training there was a networking event at Oakwood Country Club.

January 14th, our Grant Committee gathered for a second selection committee to select a second group of grants in addition to the grants that were distributed at the end of 2019. The commitment and passion of our leaders ensures the success of nonprofits in our region.

In July, the Cherokee Strip Community Foundation was recognized as a Philanthropic Organization that helps other nonprofits. Over sixty-five nonprofits have worked diligently to grow endowments for their futures.

The Cherokee Strip Community Foundation is planning an event to celebrate the CSCF Anniversary and those participating in the CSCF Endowment program, including foundation friends, donors, and nonprofits in our region. This celebration really is a hallmark of our growth and now involves more than 250 endowment funds for our regional nonprofits.

Throughout the year, a series of professional continuing education sessions were provided through the Cannon Institute at the Autry Technology Center. A series of social media campaigns reminds the region of both the history and the breadth of the Community Foundation's impact and role. We have also created on-line profiles that allow the stories of so many of our donors to be accessible to the public for years to come.

This year's celebration has ignited a new excitement among our Trustees, staff and the Cherokee Strip region. We are launching the next 20 years on a great wave of awareness and opportunity. We continue to be appreciative of the donors with whom we work and the charities that provide the services we support. We look forward to implementing new ideas and programs that will move our communities into the future.

On behalf of our Board of Trustees, Advisory Committee and staff,
thank you for your continued support. I invite you to visit our office
and learn more about our work and to join us.

Sincerely,

Mary M. Stallings

Executive Director

Marcy Price

President, Board of Trustees

Avadelle Hibbets (CSCF Assistant Treasurer) Sharon Trojan (CSCF Secretary)

The Cherokee Strip Community Foundation (CSCF) helps caring individuals - PEOPLE LIKE YOU - to make our community a better place. Over the past 20 years, we've distributed more than \$11 million in grants and distributions to area nonprofits for good causes.

The Cherokee Strip Community Foundation is a nonprofit philanthropic organization that serves the charitable needs of the Cherokee Strip region through the development and administration of endowment funds with the goal of preserving capital and enhancing its value to benefit the communities it serves.

Our experts help put your charitable dollars to work where they're needed most; in our community's schools, museums, parks, neighborhoods, theatres, health care institutions, social service centers and more. With our impact augmenting yours, you'll see the powerful results everywhere throughout Northwest Oklahoma.

We offer a variety of fund options depending on your charitable goals including designated funds, donor advised funds, gift funds, scholarship funds, unrestricted funds and agency funds.

GRANTMAKING

Backed by the strength of a nearly \$28.8 Million endowment, we strive to be enlightened leaders with a long term prospective of community issues and opportunities, and we encourage and assist donors' philanthropy for the benefit of the community. CSCF awards grants to nonprofit organizations that benefit Enid & NW OK citizens, meet important community needs, and test new ideas.
